

VICTOR LAURY

1970 SRL311 2000

Victor Laury is a name known, respected, and loved in the Datsun Community. The proud owner of a Roadster, 240Z, 510, and Truck, Victor is always willing to help those around him with cars and life.

Now, Victor needs our help. Unfortunately, Victor will not be able to drive his beautiful vehicles anymore. A stroke has defined a new direction for his life, and relinquishing his beloved Roadster is part of that direction.

Donations of \$100 are now being accepted to help Victor transition to a new phase of his life and assist with his expenses.

For every friend who helps Victor with a donation of \$100, they will have the opportunity to be the next owner of this 1970 Datsun SRL311.

The car will be given away to one of the donors on June 10th. A maximum of 300 donations will be accepted. Please help Victor by making a donation and getting more information through

Ron Eastman at 562-301-6970 or vicroadster@aol.com.

1970 SRL311 2000 Datsun Roadster

This Datsun Roadster is built like very few. Nissan Competition upgrades throughout make this one of the best handling and fastest street cars around.
